ABOUT US

Atollvic

- Strategically located in the NW of Spain, Atollvic is an expert shipyard specialized in Refit steel and aluminum superyachts and special constructions.
- With more than 14.000 sqm of installations, the shipyard has all the technical and human resources to provide top notch repair, maintenance and refitting of vessels up to 70m.
- Atollvic is part of the Vicalsa Group, company with more than 40 years of first class shipbuilding experience and is supported by the renowned Vigo's naval sector and infrastructure, represented by one of the most powerful marine ancillary industry in Europe.

Presentation video:

VICALSA Marine & Industrial Group

- Atollvic is part of the Vicalsa Marine & Industrial Group, hub with more than 40 years of experience providing solutions and productive goods for the execution of any kind of related industrial projects with a comprehensive and personalized service that integrates both design and final assembly, as well as a 24/7 support service according with customer needs. Our group cooperates in South Pacific Area with Integrated Marine Group (IMG).
- Vicalsa: Marine & Industrial projects, Comevisa: steel forming and manufacturing (laser precision systems), Retrasol: recovering parts and special welding, Lupeon: 3D printing additive manufacturing and Shipco360: boat services (New Zealand) form a global solution for the industry and naval sectors.

CAPABILITIES & EXPERIENCE

ENGINEERING

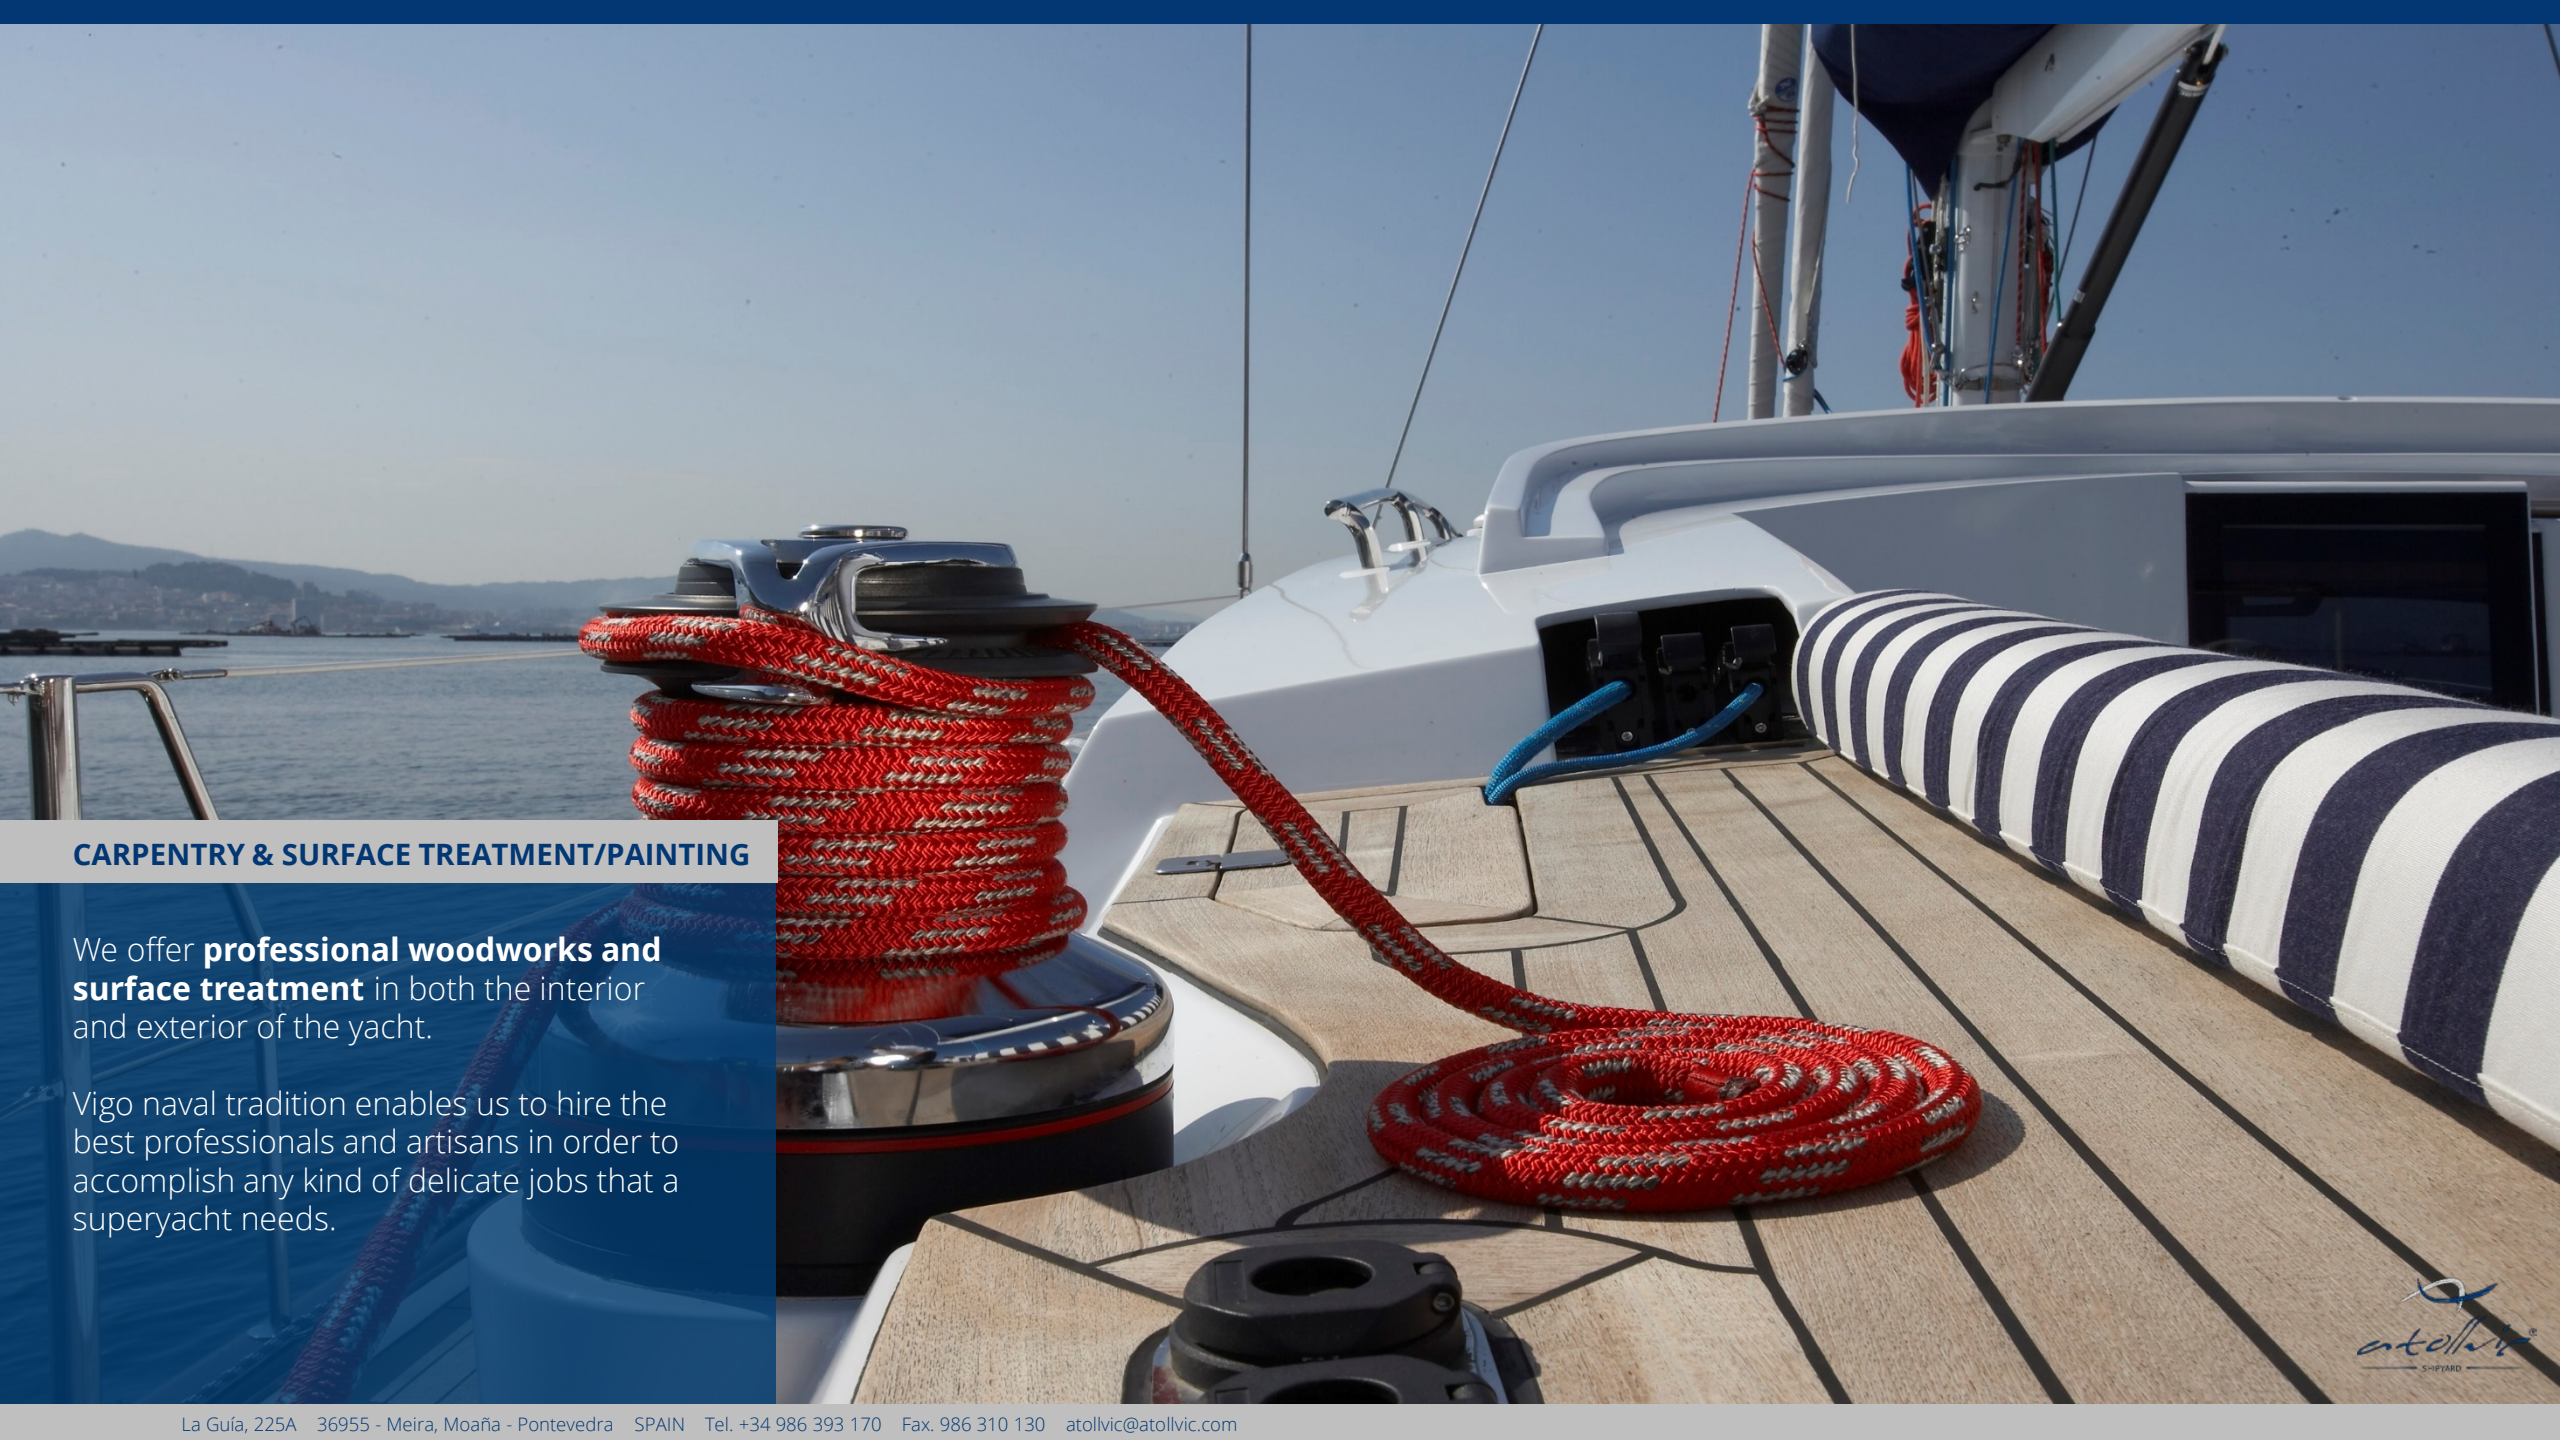

Through parametric design, numerical simulation, functional testing prototypes or pre-production, we develop the optimal solution starting from inception step to construction details, providing all needed engineering to **improve and optimize** our clients' projects, whilst aiming for **economic efficiency and improved** the products build for last.

INDUSTRIAL STEEL WORKS

We build, repair and transform parts and structures from small to oversized dimensions covering all the product needs: cutting, bending, forming, welding as well as final assembly, including hydraulic, pneumatic and electrical services on steel pipe lines, stainless steel and others special alloys or metalloids. We can use additive manufacturing (3D printing) for specially complex parts even with reverse engineering.

CARPENTRY & SURFACE TREATMENT/PAINTING

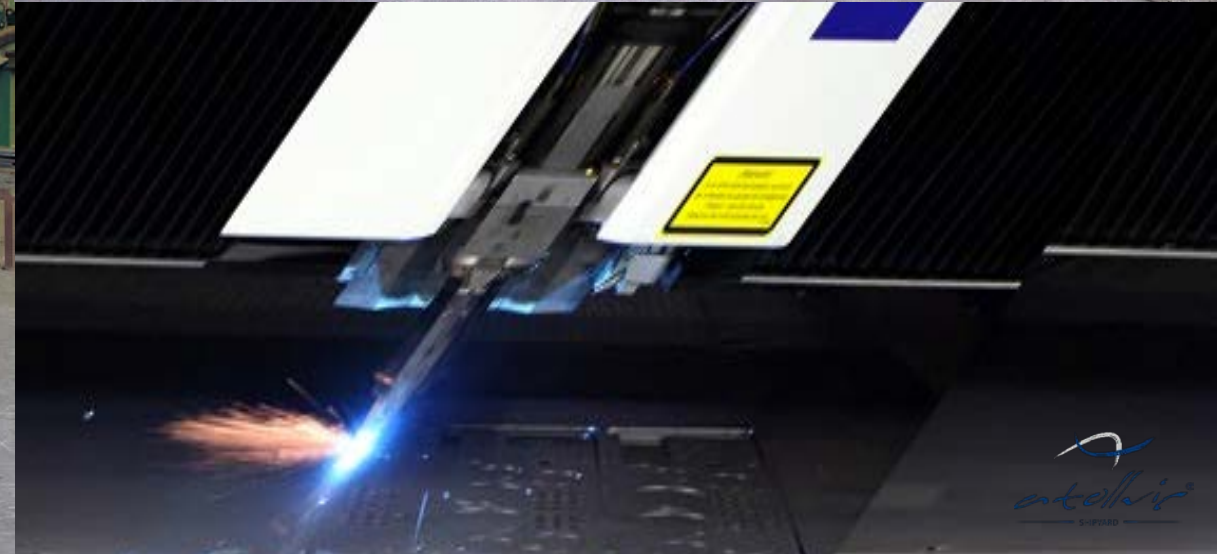

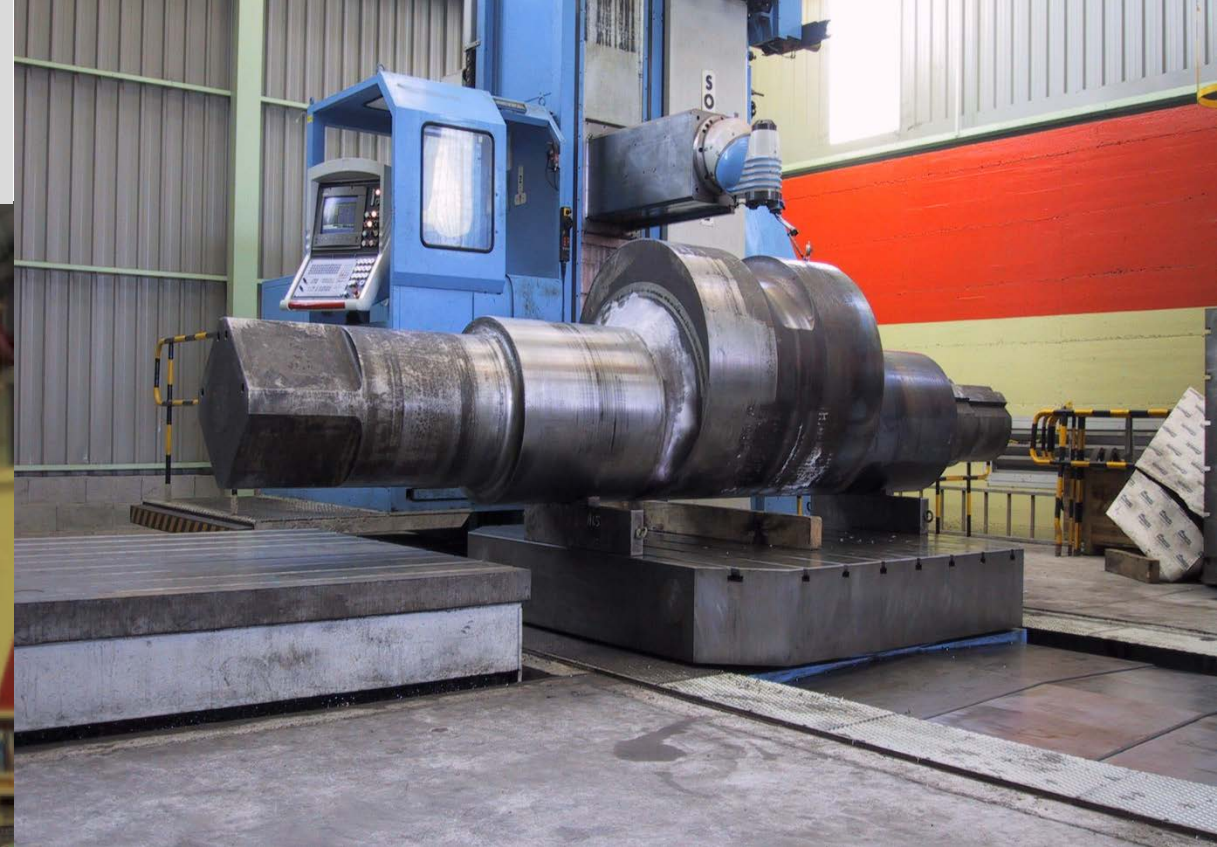

We offer **professional woodworks and surface treatment** in both the interior and exterior of the yacht.

Vigo naval tradition enables us to hire the best professionals and artisans in order to accomplish any kind of delicate jobs that a superyacht needs.

FACILITIES

MAX YACHT DIMENSIONS:

50 m. length
9 m. beam

SHED 1

- Maximum draft in way entry: 4 m.
- Maximum beam 9 m.
- Maximum length 50 m.
- Minimum height under gantry 9.25 m.
- Minimum height under crane hook 7.5 m.
- 10 T Gantry crane.
- 3.2 T Gantry crane.
- Joiners workshop.

MAX YACHT DIMENSIONS:

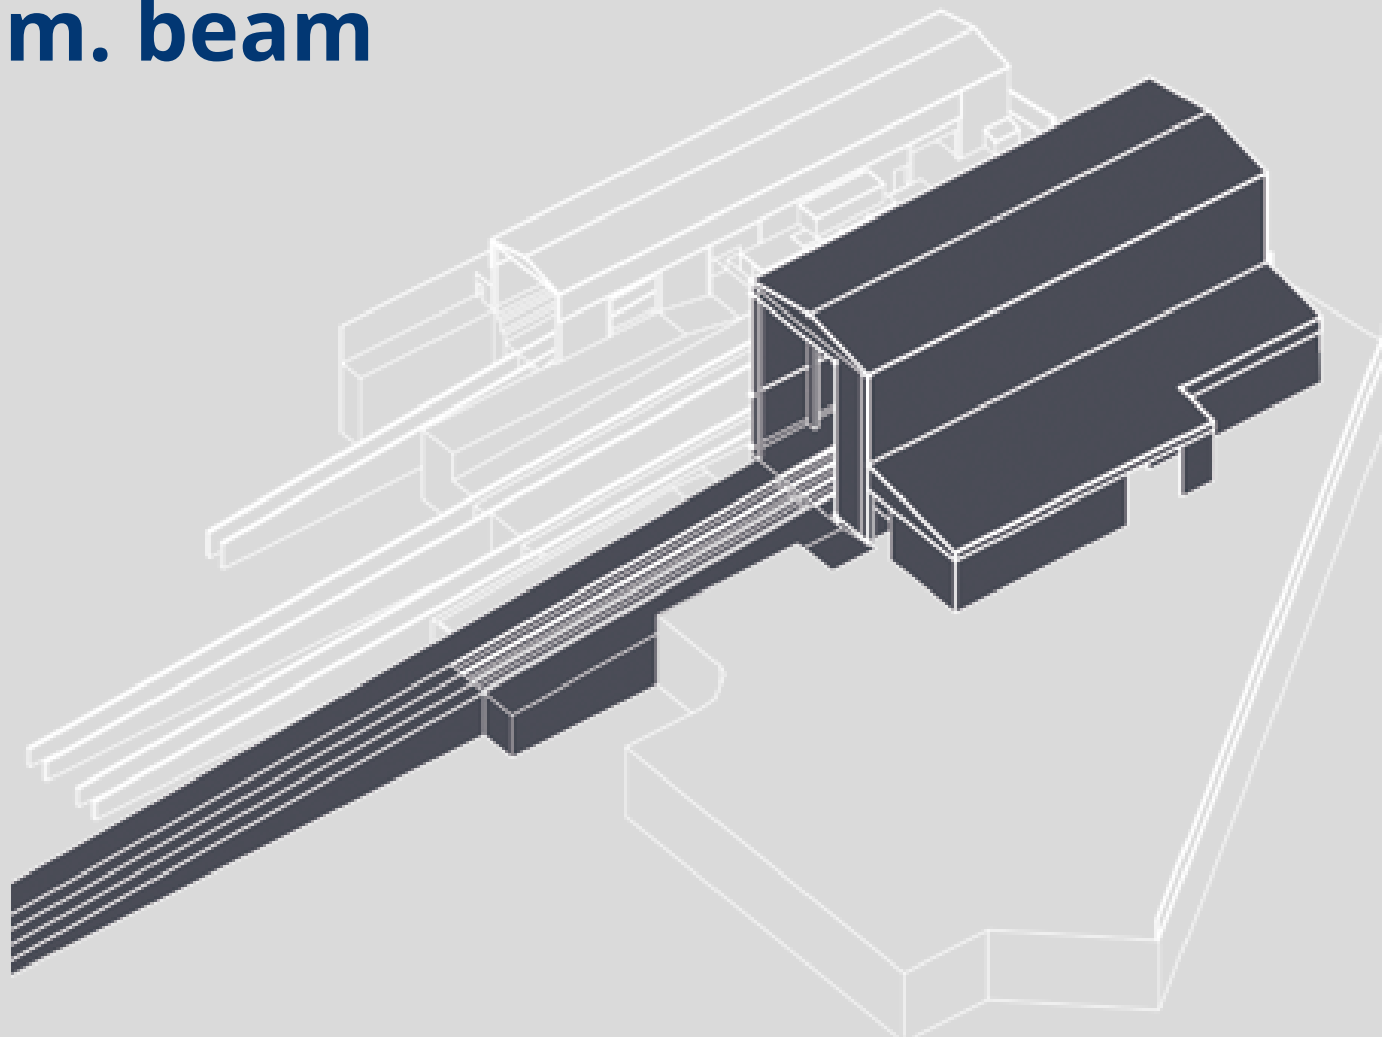

75 m. length
14 m. beam

SHED 2

- Maximum draft in way entry 6,8 m.
- Maximum beam 14 m.
- Maximum length 75 m.
- Minimum free height under hook 20 m.
- 16 T gantry crane / 2 units.
- 3.2 T gantry crane.
- 1.6 T gantry crane.
- Plate rolling machine.
- 300 T plate bending machine.
- Hydraulic shear cutting machine.
- Metal band saws.

Mechanical workshop:

- Lathe machines.
- Milling machine.
- Hydraulic press.
- Column drill.

OUTDOOR SLIPWAY

- Maximum draft in way entry 5,5 m.
- Maximum length 75 m.
- Maximum beam 15 m.
- Rotating tower crane. H = 45 m. 10 T max. to 2.9 T at 55 m.

VIGO & SURROUNDING AREAS

VIGO AREA MAJOR TECHNICAL SUPPLIERS

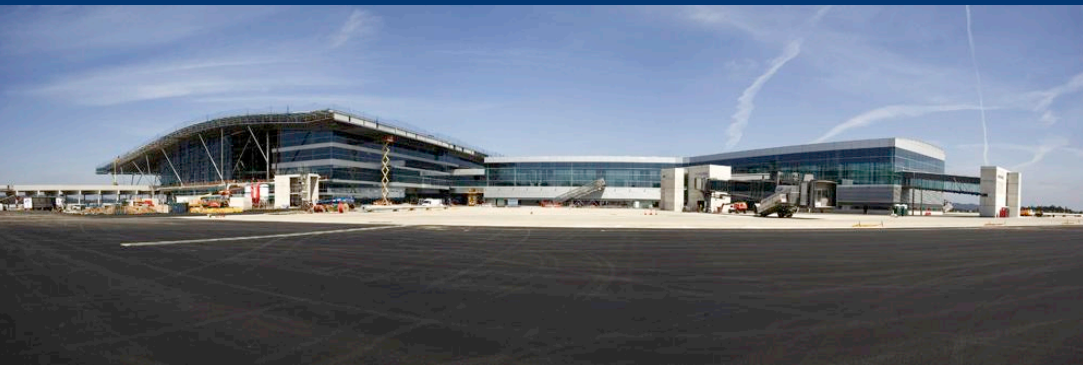

ABOUT VIGO

- Historical naval tradition since the XVI century
- Top notch services & infrastructure at your fingertips
- Shipyards, marinas and official technical support

NERBY INTERNATIONAL AIRPORTS

- VIGO: just 20km away
- SANTIAGO DE COMPOSTELA: 100km
- PORTO: 150km
- A CORUÑA: 155km

ABOUT VIGO

- Natural microclimate. Voted as one of the 5 best city climates in Spain
- World renowned food & wine tradition
- 3 nearby airports, less than 1 h driving

ABOUT VIGO

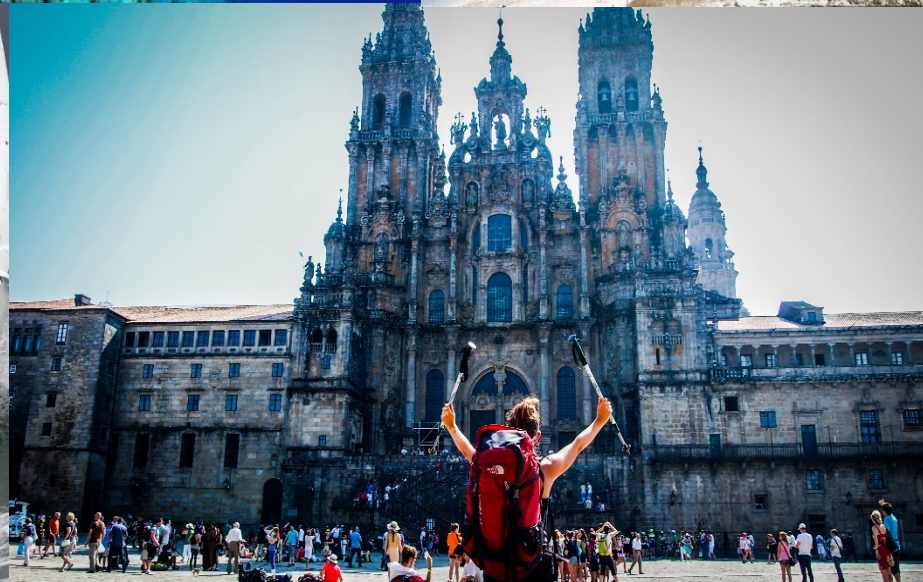

- Infinite plans for Night Outs & tourism activities anywhere in the city & surrounding areas
- Alternative relaxation tourism activities

VIGO AREA LEISURE ACTIVITIES

Once a yacht docks in our facilities, **we take care of all the arrangements in order that the crew have a wonderful time in Vigo & surrounding areas.**

From leisure activities to basic accommodation and cultural visits, all is taken care by Atollvic staff.
